

**Contents:**

- Game board
- Ferris wheel spinner
- 4 Game markers
- 80 leveled “ticket” cards (solid color: grades 2–3;
striped: grades 3–4)
- Ticket booth reader

Object of the Game:

Estimate your way through the state fair. Be the first to collect one of each color ticket to win.

Setup:

- Sort the tickets according to levels, or play with all of them. The beginning tickets are solid colors while more challenging tickets are striped.
- Turn the tickets over and sort them into 4 piles according to color.
- Place each pile face down on the matching spot on the board.
- Choose a game marker and place it on start.

How to Play:

- Spin the Ferris wheel. The player with the highest number goes first.
- On your turn, spin the ferris wheel and move in either direction on the board. Follow the directions on the space.
- If you are sent to another location, follow the directions on that space.
- When you draw a ticket, read the question aloud and choose an answer. Then, turn the ticket over and place it in the ticket booth to check your answer. Be sure to place the ticket in the reader with the arrow facing up.

 **WARNING:**
CHOKING HAZARD - Small parts.
Not for children under 3 years.

- If you answered correctly, keep the ticket. Your turn is now over.
- If you answered incorrectly, put the ticket back on the bottom of the pile. Stay there and draw a new ticket on your next turn. Your turn is now over.

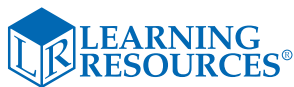

If you land on:

- **Spin High or Low** – Look at the number that you just spun, and then guess whether the next spin will be higher or lower. Spin the wheel again. If you're right, move ahead that number and follow the directions on that space.
- **Trade-in a Ticket** – Put one of your tickets back at the bottom of the appropriate pile and choose a new ticket from any pile. If you take a card from a pile, you must answer the question correctly in order to keep it. If you don't have any tickets to trade-in, then your turn is over.
- **Go anywhere** – Move to any space on the board and follow the directions on the new space.

How to Win:

- Be the first player to collect one of each ticket to win the game.
- For a shorter game, collect 4 tickets of any color

Note: Loosen the screw on the Ferris wheel for a better spin.
