

# Attendance Pocket Chart

## Includes:

- 32" x 18" Pocket Chart with grommets and hook-and-loop fasteners
- 36 Write-and-Wipe Student Cards

The Attendance Pocket Chart provides a quick and easy way to check daily attendance. Simply hang the chart on a pocket chart stand or use the hook-and-loop fasteners to hang it on a wall or door.

Write your students' names on the cards, creating an attendance card for each student. Show the chart to the class and explain that at the beginning and end of the day, each student must move his or her card either to the school or home section. Then, monitor classroom attendance at a glance!
