

Subject-Specific Journals!

Colorfully designed journals are a great way to keep work organized.

Grades 1-3

Writing Journal

Great for a variety of teacher- or student-directed writing assignments, the inside cover provides definitions for the parts of speech, a list of commonly misspelled words, and 100 high-frequency words. 64 pages of blank, ruled pages.

LER 3467 Set of 10 \$19.95

Math Journal

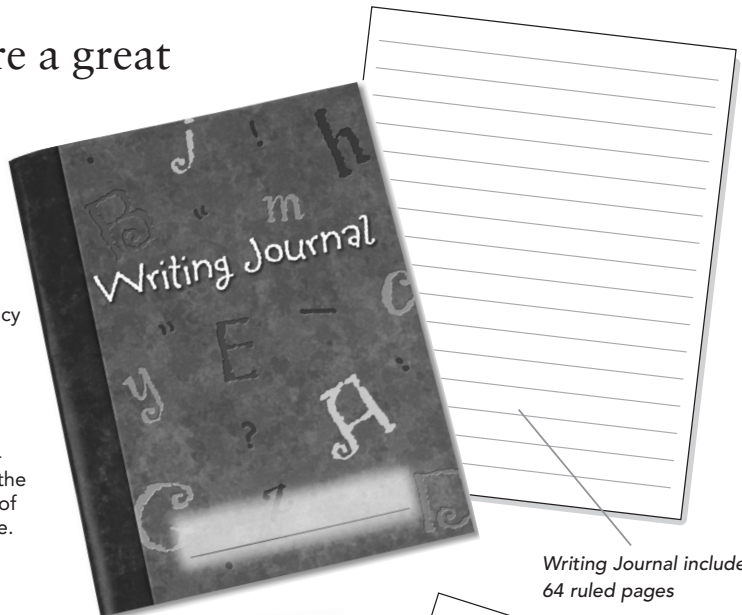

Students show their work and record their math answers. Each two-page spread features a ruled sheet on the left and graph paper on the right. The inside front and back covers provide lists and definitions of math terms, steps to solve word problems and a multiplication table. 64 pages.

LER 3468 Set of 10 \$19.95

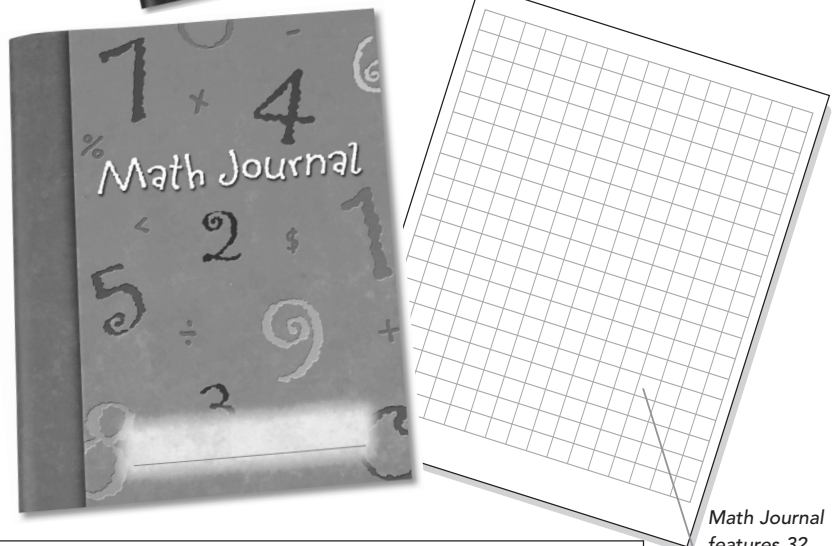

Make a Story Writing Journal

This unique journal lets students create their own stories. Inside covers feature a list of 100 high-frequency words and offer characters, settings and situations to use as story starters. Journal has a title page, about-the-author page and pages at the back of the book that ask students questions about their stories' plots, main characters, settings and other key aspects. 32 pages.

LER 3469 Set of 10 \$14.95

Writing Journal includes 64 ruled pages

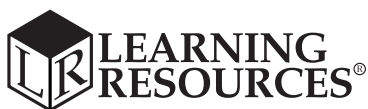

Math Journal features 32 ruled pages and 32 graph-paper pages

| About the Author | About My Story |
|------------------|---|
