## Activities

- **Where's Ruff?**

Place all the bones and Ruff inside the doghouse. Take turns reaching in to find Ruff. Now try to find pairs of matching bones.

- **What's the Word?**

Place 10 bones into the doghouse. Ask children to reach inside and find a bone. Ask children to describe the texture of the bone without looking at it. A recommended word list is provided in this guide. This is a great way to enhance and encourage vocabulary.

- **Match Up!**

Place 10 bones, one of each texture, into the doghouse and place the other 10 bones on the table. Ask children to take a bone from the table and then reach inside to find the matching bone.

- **What's Inside?**

Place all the bones into the doghouse. Say a texture, such as *fluffy*. Have children take turns reaching inside the doghouse to see if they can find the matching bone.
