

Magnetic Sentence Strips

Magnetic Sentence Strips are a helpful resource for your busy classroom. Nine strips are provided: six measure 3" x 24" and the remaining three strips measure 3" x 8".

Distribute the strips to your students during a lesson, and then simply display what they wrote by placing the strips on a magnetic board. The printed lines on the strips make practicing handwriting easy and fun.

Care Instructions

For multiple uses, write on the Magnetic Sentence Strips with a dry or wet-erase marker. Test your marker on the corner of a strip to make sure it erases. Erase marks with a damp cloth, but do not saturate the strips. Too much water will damage the product. If the edges of the strips curl, gently roll them in the opposite direction to flatten them out.
