INSTRUCTIONS:
Look at the picture. Decide what is near and what is far and write the correct word on the line below.

1. The flower shop is ________.
2. The sports shop is ________.
3. The houses are ________.
4. The man with the dog is ________.
5. The hills are ________.
6. The cows are ________.

Draw a city scene. Use the words near and far to describe where things are located in your picture.
INSTRUCTIONS:

1. Color the Fire Station red.
2. Draw triangles on Triangle Street.
3. Draw a person at City Hall.
4. Draw a house in the bottom right square.
5. Color Blue Street blue.
7. Draw cars on Green Street.
INSTRUCTIONS:
Draw a picture of places in your community. Be sure to include a fire station, hospital, supermarket, school, and park.

Write 3 sentences to describe your community.

Day 4
Community Helpers

INSTRUCTIONS:
Draw a picture of someone who helps others in your community. Ideas of community helpers include: doctors, nurses, teachers, police officers, and firefighters.

How do you think this person learned to do their job? Research with a family member to learn more about the special training they needed.

Write a description about what this person does to help others.
