Beginning Consonant Sounds

2-4 players

Directions:

Use the markers.

Choose a marker, and place it on the letter “b” on the consonant path.

Toss the marker on the grid of word endings. Choose to use either the vertical or the horizontal row in which the marker landed. Make as many words as you can by using the letter “b” with each word ending in that row.

Count the number of words you were able to make, and move your marker ahead that many spaces along the consonant path. Use this letter on your next turn.

Be the first player to reach the gold Finish stone and win.
