Letters are color-coded to help differentiate between consonants and vowels.

BONUS! Includes fun activities to reinforce letter recognition.

Letters are color-coded to help differentiate between consonants and vowels.
Learn to Write Letters is a fun way for children to practice letters and sounds! Each letter is introduced by using directional arrows to show children how to write the letter. Children trace the letters and then write them on their own! A quick activity follows each letter for immediate reinforcement. Review activities appear throughout the book for extra practice. The write-on/wipe-off pages encourage children to practice their letters again and again. Perfect for home or school use.

Use dry-erase markers or washable crayons only

Wipe off surface with a soft, dry cloth
Fill in the missing letter in each word.

Apple ABC Game

2 Games in 1

2–4 Players
**Game 1: ABC Bingo**

- Each player picks an “ABC Bingo” card. Place all of the letter markers in a box or hat.
- The youngest player begins by picking a letter marker from a box or hat and reads the letter. The player checks his card to see if they have the matching letter on it. If it is, he covers the space with an apple marker and it is then the next player’s turn to draw.
- If he does not have a matching letter on his card, it is then the next player’s turn to draw. Play continues to the left until one player has covered three spaces in a row.
- For longer game play, the first player to cover all of the spaces on his apple card is the winner.

**Game 2: Apple ABC**

- Each player picks an “Apple ABC” card. Place all of the markers in the box.
- The youngest player starts the game by picking a marker and looking at the letter. He then looks at the word endings on his apple card. If he can complete one of the words with the letter on his marker, he places the marker on the blank spot on his card. If not, he puts the marker back in the box and it is now the next player’s turn to pick.
- Play continues to the left and the first player to correctly complete all 4 words on his apple card is the winner.

**Additional Activities**

- Use the letter markers and make the alphabet (you will have some extra letters left over). Once the letters are all laid out, point to each letter while you sing the alphabet song.
- Use the letter side of the markers to make two and three letter words. For example: if, the, cat.
HOW TO PLAY:

Rhyming Dinos

Use the “Rhyming Dinos” game board. Each player chooses their dinosaur color and places it on the “start” space that matches their color dinosaur. The youngest player starts by drawing a number card. Then, the player must say aloud the number of words that rhyme with the one on their space on the board, and then move ahead the same number of spaces. For example - if a player draw a 3, the player says 3 rhyming words and then moves ahead 3 spaces. If players are unable to come up with 3 words and can only say 1 or 2, they can still move ahead 1 or 2 spaces. The first player to return back to their starting space win!

Dino Tracks Blends

Use the “Dino Tracks Blends” game board. Each player chooses a dinosaur marker and places it on the “Start” space. The youngest player goes first and draws a blend card. The player then combines that blend with the word ending on the following space on the board to try and make a word. If the blend and word ending create a real word, the player moves the dinosaur marker to the following space and uses the same blend card to see if the word ending on the next space on the board makes a real word. Once you cannot make a word, it is the next player’s turn to draw a card. The first player to reach the volcano wins!
Word list:

AY: play, gray, clay, tray, sway, stay, slay
OT: shot, plot, clot, blot, trot, spot, slot
ILL: grill, drill, chill, still, spill
AIN: plain, grain, drain, chain, brain, train, stain
ATE: plate, grate, state, slate
OCK: shock, flock, clock, block, stock
AP: flap, clap, trap, snap, slap
AG: flag, drag, brag
USH: plush, flush, brush, blush
AM: gram, clam, slam
OW: show, plow, grow, flow, chow, brow, blow, stow, snow, slow
IP: ship, grip, flip, drip, clip, chip, trip, slip
IM: grim, trim, swim, slim
UG: plug, drug, snug, slug
ACE: place, brace, trace, space
ING: fling, clinging, bring, thing, swing, sting
ACK: shack, black, track, stack, snack
EW: grew, flew, drew, chew, brew, stew
ICK: click, chick, brick, trick, thick, stick, slick
AN: plan, than, swan, span
ED: shed, sled

Rhyming Words

Which are silly?

With which words, then discuss which words are real and silly.

Use the two-letter word endings listed above and help children think of rhyming words. For example:

cap, lap, nap, map, snap, tap.

Let children make up silly words, then discuss which words are real and silly.

Let children make up silly words, then discuss which words are real and silly.

Alphabet

Help Teach:

• letter recognition
• beginning letter sounds
• word families
• spelling
Letter fun begins with Alphabet Puzzle Cards, 26 self-checking cards that encourage letter recognition, knowledge of letter sounds, and beginning spelling skills. Just match the letter to the picture and learning is as easy as A-B-C!

Before you begin, carefully separate each card into two pieces.

**Alphabet Song**

Help children arrange the puzzle cards in alphabetical order. Ask children to sing The Alphabet Song and point to each letter as they come to it. Pointing to the letters and saying them aloud will encourage letter recognition.

**Memory**

Separate the cards into two pieces and mix them up. Place the cards face down on the floor. Take turns turning over one picture card (top piece) and one letter card (bottom piece). If the two cards are a match (for example, the letter A and the picture of the apple) the player keeps both cards. If the cards do not match, turn the cards over again. It is the next player’s turn. When all of the cards are gone, the player with the most matches wins. For younger children, place all of the letter cards (bottom pieces) together and all of the picture cards (top pieces) together. Have children make a pair by picking one card from each group.

**A is for Apple**

Reinforce beginning letter sounds by pointing to a puzzle card and asking children to name the letter and the picture. Help children think of other words that begin with that letter.

**Spell it Out**

Use the letter cards (bottom pieces) to spell out a common word ending, for example AR. Ask children what letter they should add to make the word FAR. Have children place the F card in front of AR to spell out FAR. For younger children, limit
Can you draw a path from A to Z, in order?

Cut out 2 sets.
Children learn to identify the beginning consonant or vowel in words.

**Includes**
- 4 Bingo cards
- 26 Letter cards

**Find**
- 34 Coins or small objects to use as markers

**Object of the Game**
To be the first player to cover three spaces in a row.

**Playing the Game**
Each player selects a bingo card. Stack letter cards face down in center of the table. The youngest player begins by drawing a letter card. The player names the letter drawn. All players check their cards to find pictures of objects that begin with the letter called out. Using the coins/markers, players may cover one match per turn. The next player on the left then draws a letter card and calls it out. Players continue taking turns drawing, and naming letters. The first player to cover three spaces in a row, in any direction, wins!
For 2 Players or 2 Teams

Directions:

Use 8 green/blue star markers. One player will play with 4 markers, and one player will play with 4 markers. Place your markers with your color face up on the row of blend squares closest to you. On your turn, say a word that uses a blend from any square surrounding your markers. If the word is correct, move your marker to that space.

You may jump a marker that is next to your marker and say a word using the blend on the square you land on. When you jump over an opponent's marker, flip it over to your color. It is now one of your markers.

You may jump over your own markers on a move. A move can include as many jumps as you can make, as long as you use the same marker.

Make all of your opponent's markers yours to win.

Challenge: Make a new word each time a blend square is used. If you repeat a word during the game, do not move your marker. Your turn is over.
For 2 Players or 2 Teams

Directions:
Use 8 green/blue star markers. One player will play with 4 markers, and one player will play with 4 markers. Place your markers with your color faceup on the row of blend squares closest to you.

© Learning Resources, Inc.
2-4 Players

- Use the 1-4 number cards and one color marker per player.
- Place the number cards in a hot or bowl so they can’t be seen.
- Place your marker on your color corner.
- Move to the first square on the path, indicated by the arrow in your corner, and, without looking, pick a number card. This will be the number of rhyming words you need to say aloud.
- Say aloud that many words that rhyme with the word on your space. If you can say that many rhyming words, move forward that number of spaces. If you cannot say that number of words, move forward as many spaces as rhyming words you can say.
- The first player to return to his or her corner wins.
bl__  blue  ch__  chair  cl__  clown

cr__  crab  dr__  drum  fl__  flower

fr__  frog  gl__  glue  gr__  grass
This set of flash cards is a great way to introduce and reinforce word families, beginning blends, and digraphs. Practicing word families also helps children identify rhyming words that are often found in children's books.

**Suggested Activities:**

**Blends and Digraphs**—Choose a card with a beginning blend or digraph. Ask your child to sound out the blend and think of a word that starts with that sound. If they are unable to say a word that starts with the blend, show them the picture card that relates to that blend and read the word aloud. Have your child repeat the word and then try again to think of another word that starts with the same blend.

**Word Families**—Choose a card with a word family. Ask your child to read the word family and think of a word that ends with the same sound. If they are unable to identify a word with the same word family, show them the picture card that relates to that word family and read the word aloud. Have your child repeat the word and then try again to think of another word that ends with the same sound.

**Phonics Flash Cards**

- **ph__**  [phone]
- **pr__**  [present]
- **sh__**  [sheep]
- **sk__**  [skate]
- **sn__**  [snow]
- **st__**  [star]
- **tw__**  [twig]
- **tr__**  [tree]

CUT ALONG DOTTED LINES
CUT ALONG DOTTED LINES
**ABCs Flash Cards**

**See It & Say It**—Hold up each letter card and have your child say the letter.

**ABCs**—Place all the letter cards on the table, and have your child place the cards in alphabetical order. Then, sing the alphabet song together as your child points to each letter.

**Letter/Picture Match Up**
Hold up a picture card and have your child say what the picture is, and what the sound it starts with!
