Here are Mike and Spike.

"All right!" says Mike.

"I would not like to eat some pie. I would not like to climb a vine. Please turn out the light," says Spike.

Please turn out the light," says Spike.
"Do you want to ride a bike?" asks Mike.

I do not want to ride a bike.
I do not want to fly a kite.
I do not want to take a hike.

Mike and Spike are not alike.

"No! Not tonight," says Spike.
“Do you want to fly a kite?” asks Mike.

“Not tonight,” says Spike.

“Would you like to climb a vine?” asks Mike.

“Not tonight,” says Spike.
"Would you like to eat some pie?" asks Mike.

"Not tonight," says Spike.

"Do you want to take a hike?" asks Mike.

"Not tonight," says Spike.
