Croak! That's a cold nose!

Mole has a nosy nose.

Down, down, down Mole goes.
Into his little hole.
Pokety-poke goes Mole.

Up, up, up he goes.
Out of his little hole.

Pokety-poke goes Mole.

He pokes a boat.
He pokes a rose.

He pokes a hose.

He pokes a bone.

He pokes a goat.
He pokes a stone.

He pokes a rope.

He pokes a cone.

Pokety-poke goes Mole.
